

Philadelphia Flames Soccer Club

November 14, 2009

Hello Everyone,

We are organizing an under-19 girls team that will start play with the indoor season. Age group is girls born on or after August 1, 1990.

The team will practice on Thursday nights from 7 to 8pm at the Northwestern Woodhaven Center gym. Please make sure to download a map & directions from the team website, as this location is not easy to find. The first practice will be on December 3, 2009. All players are welcome to stay past 8pm - we have the gym until 10pm and 8 to 10pm is scheduled for pickup games.

We are playing in the Philadelphia Department of Recreation Indoor Soccer League this Winter. Matches will be primarily Tuesday nights at the Shissler Recreation Center, located at Berks & Blair Streets, Philadelphia PA. There may also be occasional Monday night, or Sat/Sun afternoon matches. More details will be available when I get the schedule in December. Season starts the beginning of January.

REGISTRATION: I will need two things from you - a copy of your proof of age (birth cert, drivers license, etc), and your fee of \$55. Anyone who paid for the Fall 09 season will get a credit towards indoor. I will be taking mugshots for the player pass. You may pick your shirt number & size - first come, first serve. I made 7 player passes because the league required players rostered to add us to the schedule. Everyone else, I will have indoor passes & registration forms for you to sign at the first practice, and these will be ready before our first game in January..

The first practice on December 3 is MANDATORY. Normally u19 practice will be 7 to 8pm, but this first week we will go 8 to 10 pm.

In March our team will continue play outdoors in the IPSSL league. This will be Sunday mornings from March to May - all games at Lincoln High School.

IMPORTANT (READ THIS): There are a lot of things I will be flexible about. The one thing I EXPECT from all of you is communication. I know that as an old (over 20) person I can never understand, but I EXPECT you to tell me what's on your mind. I EXPECT you to tell me if you will not make it. I EXPECT you to reply to my calls, texts & emails PROMPTLY. I will likely use Evites to keep track of who can & cannot make games each week and I EXPECT you to respond right away, and update your response if it changes. That's it - other than that you'll find I'm pretty easy-going.

If you have any questions, you can reach me anytime at 267-784-5663.

Sincerely yours,

Thomas Maegerle
